Final Note by the Third Member of Council.

Subject:—

Revision of the establishment of the Vani Vilas Hospital, Mysore.

It was brought to my notice in my tour in the Mysore District in the month of January 1919 that the establishment of the Vanivilas Hospital was undermanned, there being only one Nurse and one Matron on the staff, that the work was too heavy for the Matron and that it was desirable in the interests of the Hospital to add one Assistant Matron and two more Nurses to its staff.

2. The Senior Surgeon whose attention was invited to these requirements has taken the opportunity to submit a proposition statement for the revision of the establishment of the above Hospital resulting in a total extra cost of Rs.3286-10-8 a year and has sought sanction of Government to his proposals as the present establishment was sanctioned many years ago and both the number of hands and the scale of their pay are found to be inadequate for the present requirements of the institution.

3. The President, Mysore District Board, has intimated that the Board are prepared to pay their extra quota of the cost of revision.

4. The Financial Secretary who was consulted in the matter has no objection to the revision provided the extra cost in the current year is met from the provision of Rs.25,000/- made for the revision of hospital staff etc.

5. The Members of Council are agreeable to the proposed revision.

Draft for approval 6. The draft order herewith submitted sanctioning the Senior Surgeon's proposals may be graciously approved.

From

T. V. Armugam Mudaliar, Esq., M.B., C.M.,
Senior Surgeon with the Government of
H.H. the Maharaja of Mysore, Bangalore.

To

The Chief Secretary to the Government of
His Highness the Maharaja of Mysore, Bangalore.

Thro' The Comptroller of Mysore

Sir,

I have the honor to state that the present establishment of the Vani Vilas Hospital, Mysore, was sanctioned many years ago and both the number of hands and the scale of their pay are found to be inadequate for the present requirements of the institution. The cost of labor has gone very high and it is not possible to secure menials for the low pay sanctiond years ago. The accompanying Proposition statement is therefore submitted for the favorable consideration of Government. The important points are explained below.

Matron. The pay of the Matron, which is Rs.75 at present, is proposed to be changed to a progressive scale, making it equal to what has been proposed for the Head Nurse of the Victoria Hospital, viz., 70-5/3-90, with a ration allowance of Rs.20 and a Uniform allowance of Rs.2½ a month, as is given to members of the nursing establishment in Hospitals all over

Assistant Matron. The management of the hospital meniad staff, the custody of the linen, the supervision of the pupil nurses and midwives, gives too much work for a single Matron. It is therefore proposed to appoint an Assistant Matron as in the case of the Bangalore Maternity, to assist the Matron her pay being fixed at Rs.35-5/3-45, with the usual ration and uniform allowances of Rs.20 and 2½ per month.

Steward and clerk. There is now a male compounder on

on a pay of Rs.15, with an allowance of Rs.10 for doing clerical work also. It is proposed to have, in-stead, a Steward and clerk on a pay of Rs.30, since every Hospital ought to have a Steward.

Midwife-nurses. The ~~three~~ two midwives on the staff at present, get a fixed pay of Rs.15. It is proposed to raise the pay to what has been sanctioned for Midwives with training in sick-nursing, in G. O. No. 1416-20 Med 48-15 dated 18-8-1916, viz., 20-1-30, with a ration allowance of Rs.10 and a uniform allowance of Rs.2½ to compensate for loss of private practice.

Cooks. There are three cooks at present, two on Rs.10 each and one on Rs.7. It is proposed to raise the pay of the one on Rs.7, to Rs.10 and to employ a cook that will cook for European patients also.

Peons. There is now only one peon on the establishment, on a pay of Rs.6. It is proposed to raise his pay to Rs.10 which is the minimum pay to be fixed for hospital menials as service in Hospitals is more exacting than in ordinary offices. It is also proposed to have an additional peon with the designature of Duffadar and a pay of Rs.12, to exercise discipline over and supervise the work of Thoties, sweepers and the gardner.

Ward attendants. The existing two ward attendants cannot cope with the work of three general wards, one special ward, one European ward, the labor ward, and the isolation ward. The number is proposed to be raised to 6 and their pay from Rs.6 to Rs.10.

Conservancy staff. There are now three toties, one on Rs8 and two on Rs.5 each. These cannot attend to the ward and general latrines and to keeping the compound clean. It is proposed to have three toties and three sweepers, each on a uniform pay of Rs.10 each. The pay of the Gardner is also proposed to be raised from Rs.6 to Rs.10. A single Dhoby is unable to cope with the increased washing work and the appearance of the hospital linen is far from satisfactory. The cost of washing materials has gone up and no Dhoby is willing to work for the present rate of pay. It is therefore proposed to have two Dhobies on a pay of Rs.12 each instead of one on Rs.7.

16

Financial effect. The total extra cost resulting from the revision as proposed above comes to Rs. ~~291½~~ 269 per mensem or to Rs. ~~3498~~ 3228 per annum, which, I request that Government may be ~~pleaxx~~ pleased to sanction, with effect from the next official year, in the interests of the efficiency of the institution. As the maintenance charges of the Vani Vilas Hospital are borne by the State and the District Funds in the proportion of two-thirds and one-third, respectively, I have requested the President of the Mysore District Board to place the matter before the Board and obtain and forward their resolution agreeing to bear one-third of the increased cost. direct to Government,

I have the honor to be,

Sir,

Your most obedient servant,

Senior Surgeon.
